

We are pleased to announce our **new** **complimentary** invitation to bid service

No Annual Fees PlanWell® integration New Bid Opportunities

MS Dallas invites you to register for our new Invitation-to-Bid service. This service is quickly becoming the nation's most widely used ITB solution and links directly to PlanWell, the nation's most widely used online planroom.

By registering your firm, you will become part of a database of subcontractors that will be used by General Contractors to choose who they will solicit for their bids. Unlike other subscription-based ITB services, ours is **absolutely free** to subcontractors. Sign up now to be included in all our future bid solicitations.

Just complete and fax or mail the form back to us and we will take care of the rest.
